F.No.1775/ KVIIT/2018-19

Date: 30.11.2018

To

Dear Parent of Class X/XII,

It has been decided to put in additional efforts and specific steps, in December before the I Pre board exams to be conducted in December 2018, based on the performance of the students in the previous exams.

It will be our endeavor to strive for academic excellence of all the students well before the board exams so that the students face the board exams with higher morale and full confidence. All students are being provided with 5 sets of CBSE board question papers of the previous years. Each one of them would have solved at least 2 CBSE papers before they appear for the 1st Pre Board exams.

Students who score less than 45% marks in the I Pre-board exams commencing on 7th December 2018, will be called for extra coaching during the winter break to practice more question papers and to give personal one to one attention in the subjects in which their performance has to be raised to the next higher level and secure better marks in the 2nd Pre board exams in the month of January 2019.

The other students will be provided with additional, two board question papers/ subject to be solved under the supervision of the parents at home during the winter break and answer papers will be submitted to the concerned subject teachers for evaluation and feedback.

Please cooperate and support the school and ensure that your ward also participates in all the steps and strategies for academic excellence, wholeheartedly.

We believe that these extra efforts taken by all of us would definitely boost the morale and confidence of the students and give them continuous writing practice for the Board exams.

Ultimately everybody wishes and wants that the student performs well in the CBSE Board exams and is placed in the best institution for their best future. In order to

realize this wish, all three schools, parents and above all students should put in their best efforts with small sacrifices too. Attendance of your ward is compulsory during regular classes and extra classes. Shortage of attendance may lead to other consequences as per CBSE norms.

Looking forward to your participation and a positive gesture in this regard.

The parent teacher meeting after the 1st Pre board is scheduled for 22.12.2018 at 11 AM. Kindly attend the meeting to understand the status of your ward in the exams and decide on further course of action in the best interest of the student.
