

FROM KV IIT - CHENNAI WITH LOVE.....

The Indian soldier is a role model for the people of India. Honest, positively secular, completely apolitical, , simple needs and frugal habits, he is the epitome of courage and unflinching devotion to duty. More than any other group or community in the country, the Indian soldier embodies and represents the idea of India.

The ever grateful students of KVIIT, made small greeting cards and “raakhi” for the jawans on the borders, with a lot of love and dedication. Thousands of cards and raakhi made by hundreds of tiny hands worked to create something special for the brave soldier, with a song in their hearts! A prayer in the minds, wishing good for every Jawan and his family!
