DATE:04.12.2018

Dear Parent,

With reference to the recommendations of the traffic management committee at IIT M, the following actions are initiated by the school in response to the directions of the IIT M. All parents bringing their wards to school, using their personal vehicles are directed to abide by the following directions issued by the committee and the school in this regard.

- 1) Parents are encouraged to drop their wards at the entry gate Adayar/Velachery and allow the students to come to school in the IIT M buses meant only for the students of KV .
- 2) The IIT M transport section is being requested to send two buses from the two gates at 7.45 & at 8 AM ,and at 2.45 & 3PM back to the gate only for KV students ,everyday.
- 3) Teachers can then be allotted duty at these specific times so that both students and teachers are not late for school/home.
- 4) No personal vehicle will be allowed entry at the gates without a valid entry pass.
- 5) Parents should get the applications from the security section of IIT M and submit the same to the concerned class teacher. The school will then forward the applications for further processing to IIT M.
- 6) As is followed now there are two entry gates for the school 1) near Madras Avenue for the secondary students and cyclists & 2) along the Bonn Avenue for the primary students. Parents will strictly only **drop** the students at these entry points and **not park** their vehicles there nor midway.
- 7) Parents bringing in four wheelers are directed to take a U turn at GC and drop the students near the ground gate, so that students reach the school walking along the ground up to the entrance gate. This can reduce congestion on the Bonn avenue and /or students need not cross the road due to parking the vehicle on the opposite side of the school entrance. In turn the students safety is more assured.
- 8) All parents are hereby urged to abide by these directions in letter and spirit to prevent in convenience to other students and traffic on these roads of IIT M campus.

All these directions of the traffic management committee are put in place to ease traffic congestion and for the safety and security of students of KV IIT Chennai. The parents are also requested to obey all traffic rules inside the IITM campus also.

Anticipating your wholehearted cooperation and support ,in the interest and welfare of your ward.

With regards

Dr M. MANICKASAMY
(PRINCIPAL)
